

Group Dialogue for Entry and Assessment

JoAnn Butrin, PhD

Objective

- Interaction with targeted groups to determine:
 - Interest
 - Motivation
 - Perceived needs
 - Priority of needs
 - Proposed solutions
 - Worldview of those affected

First Meeting

- Representatives of targeted community
- Use objects to identify needs/issues of community
- Whole group determines priority need

Second Meeting

- Determine assets of the community – small groups will list
- Determine how those assets can contribute to meeting the priority need

Third Meeting

- Dialogue about sustainability
- Have group propose ways of keeping the outreach alive
- Seek level of commitment to help

Results of Dialogue

- **Identifies issues**
- **Identifies resources**
- **Engenders ownership of solutions**
- **Builds capacity**
- **Requests commitment**
- **Helps assure success**
